NARRATIVE:

Henry Farrow has an extensive adult criminal history that began at the age of 21. His convictions include felon in possession of a firearm, grand theft, possession of controlled substances, multiple DUIs, reckless driving and failing to report. He has served multiple state prison terms, the longest being a 2 year term for grand theft. Farrow was released from state prison to the supervision of the Los Angeles County Probation Department on February 14, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2014 after he absconded from post release community supervision (PRCS). Farrow qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
